Written Discussion (within 1,000 words of length):

I would like to congratulate the committee for their fine report.

During my reading of the report I have noticed that their references to AMT'11 conference have an unfortunate error in the venue of this conference that should be "Newcastle University, UK" not Turkey as stated in the report. I hope this can be corrected.

Response:

The committee thanks Prof Atlar for his kind comment and apologises for the typographical error in citing the location for AMT'11 conference.
