

21st International Towing Tank Conference

- ◆ Preface
- ◆ Committees of the 21st ITTC
- ◆ The Rules of the Organization
- ◆ New Technical Committee Structure
- ◆ Index of ITTC Documents
- ◆ Member Organizations
- ◆ Delegates Invited to the 21st ITTC
- ◆ Program of the 21st ITTC
- ◆ Structure and Tasks of 22nd ITTC
- ◆ Committee of the 22nd ITTC
- ◆ List of Participants at 21st ITTC
- ◆ Proceedings Volume 1: Contents
- ◆ Proceedings Volume 2: Contents

21st International Towing Tank Conference

Proceedings Volume 1: Contents

- Report of the Advisory Council
- Report of the Executive Committee
- Report of the Seakeeping Committee
- Report of the Cavitation Committee
- Report of the Propulsor Committee
- Report of the Waterjets Group
- Report of the Performance in Ice-Covered Waters Committee
- Report of Ocean Engineering Committee
- Report of the Quality Control Group
- Report of the Symbols and Terminology Group
- Report of Manoeuvrability Committee
- Report of Powering Performance Committee
- Report of Resistance and Flow Committee
- Report of the High-Speed Marine Vehicles Committee
- Guidelines for Preparation of Technical Committee and Working Group Report

21st International Towing Tank Conference

Proceedings Volume 2: Contents

- The Seakeeping Committee
- The Cavitation Committee
- The Propulsor Committee
- The Waterjets Group
- The Performance in Ice-Covered Waters Committee
- The Ocean Engineering Committee
- The Quality Control Group
- The Symbols and Terminology Group
- The Manoeuvrability Committee
- The Powering Performance Committee
- The Resistance and Flow Committee
- The High-Speed Marine Vehicles Committee
- Workshops

Stability

Model Testing of Deep Sea Offshore Structures

Unconventional Propulsion

Response Based Design Loads, Impact on Model Testing
